

Investment Scam Recovery, One Page

A free Lumaset Foundation cheat sheet – keep this near your phone

What to Remember

- Guaranteed returns + low risk = scam language.
- Never mix romance and investment advice.
- Fake dashboards and fake testimonials are common.
- If withdrawals require more money, stop.
- Stop contact fast.
- Call the bank, card company, wire company, or platform right away.
- Save screenshots and receipts.
- Report at [ReportFraud.ftc.gov](https://www.ftc.gov/identity-theft).
